

MYROSLAVA SKALA

JUNIOR FRONT END DEVELOPER

I am a musician who finds passion in programming. In programming fascinates me the ability to create something fruitful out of just a simple text editor and a compiler.

I've successfully finished the course JavaScript: React at school Coders Lab and got a certificate. Currently, I'm improving my skills in JavaScript and React, and also I'm learning Gsap and TypeScript. I have a great enthusiasm for work, passion and the ability to learn quickly.
